

SPORTS PREMIUM ACTION PLAN: Bernards Heath Junior School (2016– 2017)

Amount of grant received: £9600

Issue to be addressed and rationale	Action to be taken	Costs and resources	Evidence	By when	Impact (Difference it will make or has made)
Increase participation of children taking part in curricular PE	Continue with specialist gym teacher for all year groups. Use a specialist coach to teach hockey for a session to each year. SSP membership CPD for teachers Skipping workshop day for all year groups.	£3150 £600 £1400 £450	School foundation subject data.	July 2016	Staff development, increase confidence to deliver PE lessons and ensure children active and engaged. More children participating in curriculum sport through specialist coaching. From 'Pupil Voice' children stated really enjoyed gymnastics lessons and felt they had made progress. Children have been taught by specialist gym teacher. Sports TA able to lead some of the gymnastics lessons. All children to take part in a hockey day per year group, with a level 1 tournament. All children took part in a skipping workshop and skipping day and have increased their skipping skills, encouraged many children to skip

					and therefore be more active at break times.
Increase number of children taking part in extra-curricular activities (especially targeted children)	Through SSP membership: Bronze Ambassador training Access to level 2 and 3 competitions Pay for Dance club for targeted groups. Vouchers for targeted groups for sports clubs.	(cost as above) £600 £750	Registers of children who take part. Photos	July 2016	Bronze Ambassadors and sports crew receive training. Each term will organise competitions during lunch times for the year groups to boost participation. Also receive training to work with selected children to increase their participation. 'Game On ' club run by Sports Ambassadors once a week for selected children. Has increased participation across the year groups of less active children in extra- curricular sport. Has also provided opportunities for children to have leadership experience. Dance club will increase participation in sport, increase their self- esteem. Dance club has increased the number of targeted children taking part in sport. Vouchers help increase activity of selected groups, increase self-esteem, improve behaviour.

					<p>More inclusive as wider range of children can participate.</p> <p>Voucher system very successful and uptake good to allow more children to take part in extra-curricular clubs of their choice.</p> <p>Over 60% of children in the school take part in extra-curricular clubs.</p>
