Mosaic making is a wonderful ancient art form which is accessible to all ages and abilities. By booking onto this half term course you will have the opportunity to create a different mini mosaic to take home every week. You will work with vitreous glass tiles (like the ones used on the school mosaic) You will also work on another mosaic over the half term which you will complete by the end of the course. On the final week, you will grout your completed work, ready to take home!
